

§ 370.43

40 CFR Ch. I (7–1–10 Edition)

(5) Provide an estimate (in ranges) of the maximum amount of the hazardous chemical present at your facility on any single day during the preceding calendar year. You must use codes that correspond to different ranges. The range codes are in § 370.43.

(6) Provide an estimate (in ranges) of the average daily amount of the hazardous chemical present at your facility during the preceding calendar year. You must use codes that correspond to different ranges. The range codes are in § 370.43.

(7) The maximum number of days that the hazardous chemical was present at your facility during the preceding calendar year.

(8)(i) Provide a brief description of the precise location of the hazardous chemical at your facility. You may also attach one of the following with your Tier II inventory form.

(A) *A site plan* with site coordinates indicated for buildings, lots, areas, etc. throughout your facility.

(B) *A list of site coordinate abbreviations* that correspond to buildings, lots, areas, etc. throughout your facility.

(C) *A description of dikes and other safeguard measures* for storage locations throughout your facility.

(ii) Under EPCRA section 324, you may choose to withhold from disclosure to the public the location information for a specific chemical. If you choose to withhold the location infor-

mation from disclosure to the public, you must clearly indicate that the information is “confidential.” You must provide the confidential location information on a separate sheet from the other Tier II information (which will be disclosed to the public), and attach the Confidential Location Information Sheet to the other Tier II information. Indicate any attachments you are including.

(9) Provide a brief description of the manner of storage of the hazardous chemical, including container type, temperature and pressure for each location listed. You must use codes that correspond to different storage types and temperature and pressure conditions. The storage codes are in § 370.43. If the specific location for which you are reporting storage conditions is a “confidential” location, then you must report the storage conditions on a separate Confidential Location Information Sheet.

[73 FR 65478, Nov. 3, 2008, as amended at 74 FR 13125, Mar. 26, 2009]

§ 370.43 What codes are used to report Tier I and Tier II inventory information?

(a) *Weight range codes.* Except as provided in paragraph (d) of this section, you must use the following codes to report the maximum amount and average daily amount when reporting Tier I or Tier II information:

| Range codes | Weight range in pounds | |
|-------------|------------------------|----------------------|
| | From | To |
| 01 | 0 | 99 |
| 02 | 100 | 999 |
| 03 | 1,000 | 9,999 |
| 04 | 10,000 | 99,999 |
| 05 | 100,000 | 999,999 |
| 06 | 1,000,000 | 9,999,999 |
| 07 | 10,000,000 | 49,999,999 |
| 08 | 50,000,000 | 99,999,999 |
| 09 | 100,000,000 | 499,999,999 |
| 10 | 500,000,000 | 999,999,999 |
| 11 | 1 billion | More than 1 billion. |

Note to paragraph (a): To convert gas or liquid volume to weight in pounds, multiply by an appropriate density factor.

(b) *Storage type codes.* Except as provided in paragraph (d) of this section, you must use the following codes to report storage types when you are reporting Tier II information:

| Codes | Types of storage |
|---------|-------------------------------|
| A | Above ground tank. |
| B | Below ground tank. |
| C | Tank inside building. |
| D | Steel drum. |
| E | Plastic or non-metallic drum. |
| F | Can. |

Environmental Protection Agency

§ 370.61

| Codes | Types of storage |
|---------|--------------------------|
| G | Carboy. |
| H | Silo. |
| I | Fiber drum. |
| J | Bag. |
| K | Box. |
| L | Cylinder. |
| M | Glass bottles or jugs. |
| N | Plastic bottles or jugs. |
| O | Tote bin. |
| P | Tank wagon. |
| Q | Rail car. |
| R | Other. |

(c) *Storage condition codes.* Except as provided in paragraph (d) of this section, you must use the following codes to report storage conditions when you are reporting Tier II information:

| Codes | Storage conditions |
|-------------------------------|--|
| <i>Pressure conditions</i> | |
| 1 | Ambient pressure. |
| 2 | Greater than ambient pressure. |
| 3 | Less than ambient pressure. |
| <i>Temperature conditions</i> | |
| 4 | Ambient temperature. |
| 5 | Greater than ambient temperature. |
| 6 | Less than ambient temperature but not cryogenic. |
| 7 | Cryogenic conditions. |

(d) Your SERC or LEPC may provide other range codes for reporting maximum amounts and average daily amounts, or may require reporting of specific amounts. You may use your SERC's or LEPC's range codes (or specific amounts) provided the ranges are not broader than the ranges in paragraph (a) of this section. Your SERC or LEPC may also provide other codes for storage types or conditions. You may use those codes provided your SERC's or LEPC's storage types and conditions codes specify the same or more detailed information as the codes in paragraphs (b) and (c) of this section.

§ 370.44 To whom must I submit the inventory information?

You must submit the required inventory information to your SERC, LEPC, and fire department with jurisdiction over your facility.

§ 370.45 When must I submit the inventory information?

(a) You must submit the required inventory information on or before March 1 (beginning in 1988 or beginning

after your facility first becomes subject to this part), and on or before by March 1 of each year afterwards. Your submission must contain the required inventory information on hazardous chemicals present at your facility during the preceding calendar year at or above the threshold levels. Threshold levels are in § 370.10. The minimum required inventory information under EPCRA section 312 is Tier I information. Tier I information requirements are described in § 370.41.

(b) You must submit Tier II information within 30 days of the receipt of a request from the SERC, LEPC, or the fire department having jurisdiction over your facility, as provided in § 370.10(b). Tier II information requirements are described in § 370.42.

Subpart D—Community Access to Information

§ 370.60 How does a person obtain MSDS information about a specific facility?

Any person may obtain an MSDS for a specific facility by writing to the LEPC and asking for it.

(a) If the LEPC has the MSDS, it must provide it to the person making the request.

(b) If the LEPC does not have the MSDS, it must request the MSDS from the facility's owner or operator.

§ 370.61 How does a person obtain inventory information about a specific facility?

(a) Any person may request Tier II information for a specific facility by writing to the SERC or the LEPC and asking for such information.

(1) If the SERC or LEPC has the Tier II information, the SERC or LEPC must provide it to the person making the request.

(2) If the SERC or LEPC does not have the Tier II information, it must request it from the facility owner or operator in either of the following cases:

(i) The person making the request is a State or local official acting in his or her official capacity.

(ii) The request is for hazardous chemicals in amounts greater than 10,000 pounds stored at the facility at
